A Perfect Sourcing Partner

October 16, 2020

Warp & Weft International (WWI) is a merchandise sourcing organization based in India. Its has been involved in supply chain management business for over 40 years. It deals in a vast array of home fashion products ranging from soft goods, to hard goods and decorative. As a streaming organization, WWI believe in making deriving value by offering their clients the best in line services with complete focus on the right product value, at the right quality, delivered at the right time!

Chetan Mathur, CEO, Warp & Weft International shares, "We act as the most integral part of the supply chain, managing every aspect of sourcing for our clients while eliminating traders, brokers, and other unnecessary intermediaries."

The objective of **Warp & Weft International** is to make the business both valuable and profitable for the clients. The headquarters reside in New Delhi with various sourcing offices across India. The clientele spreads across the globe. Their first step is to identify suitable & reliable suppliers who can deliver as per terms. In all cases, WWI makes sure the mills comply to all basic protocols and code of conducts and are certified for all social and ethical compliances, as per clients specified requirements. WWI continuously measure and examine the performance of their suppliers for the purposes of controlling cost, risk and timely deliveries.

Some integral part of WWI services includes are Implement sustainable process for transparency and traceability at mills, Provide Market information through research and development, Assisting design and product development, Price Negotiations with mills on behalf of their clients, Monitoring factory compliances, Checks to seamlessly implement code of conduct across mills, Merchandising and order follow-ups, Quality control as per AQL derived by their clients, Synchronize documentation across the whole supply chain, Manage shipping consolidations, Implement corrective action plans wherever necessary after sales.
