Meet Chetan Mathur, an unstoppable Entrepreneur & Supply Chain Strategist

September 8, 2020

93 0

With over 20+ years of experience in Supply Chain Management at international levels, Mr Mathur is a dynamic personality with a vision to expand his businesses globally. He is deeply passionate to create value through learning and leadership. Mr Mathur has always believed in the idea of creating innovative solutions to catch up to the current retail scenario by promoting responsible sourcing solutions.

In accordance with the ever-increasing competitiveness and changes in global markets, Mr Mathur has been recently working very closely with producers, brands and retailers to achieve "sustainable solutions" for creating a transparent and traceable product cycle. His insight product knowledge has contributed to his focus on creating an overall Sustainable Value System for the whole supply chain.

Chetan Mathur is an active participant of two promising companies- **Warp & Weft International and Medusa Source**. He is the **CEO of Warp & Weft International**. WWI a specialized product sourcing company for 40+ years managing sourcing requirements for stores, retailers, wholesalers & importers worldwide. It deals in a vast array of Home Decor products ranging from Soft Furnishings, Hard Goods, Furniture and Decoratives. And he is also the **Managing Partner of Medusa Source**. Its a Supply chain management company providing end-to-end product sourcing solutions for fashion brands, labels & retailers worldwide. The product line includes RTW garments, fashion accessories, footwear & cosmetics.
